**Suburb:**

**State:**

**Postcode:**

**Your age group:**

### YOUR SUBMISSION

**Submission:**

I submit my agreement that there should be a national data base on sex offenders. For too long the offenders have been given too many rights. Change the system to protect everyone. There is no cure for these offenders they cannot be rehabilitated and it's shown time and time again

**Are you interested in appearing before the committee in person to talk about your submission?**

No
