Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

While cannabis use is harmful, especially among younger people, the effects of its criminalisation are often worse, and the stigma and fear of prosecution can prevent people from seeking help when they have a problem. Ultimately, I believe it's important that cannabis be completely decriminalised, regulated and taxed, and that the regulated cannabis be competitive in price and convenience with the currently available black market product.
