Sale of cannabis should be legal and regulated.

YOUR SUBMISSION

Submission:

I believe that policymakers working in the alcohol and drug fields must prioritise harm reduction measures. Eliminating the most harm occurs through legalisation, regulation and education, therefore, legalising cannabis, reduces the most harm, and dissolves the business model of organised crime.

Do you have any additional comments or suggestions?:

While lawmakers are looking for ways to stimulate the economy in the aftermath of COVID-19, legalising cannabis would be a positive step.
