Accessing and using cannabis, Mental health, Public safety, Public health, Young people and children, Education, Criminal activity, Social impacts

**What best describes your interest in our Inquiry? (select all that apply) :**

Individual

**Are there any additional themes we should consider?**

They're all important themes its hard to rank them.

**Select all that apply. Do you think there should be restrictions on the use of cannabis? :**

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. , Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal.

### YOUR SUBMISSION

**Submission:**

prevent young people and children from accessing and using cannabis in Victoria; If it is regulated there will be an age limit preventing young children/adults from accessing it as easily.

protect public health and public safety in relation to the use of cannabis in Victoria; people would be less likely to buy drugs with unknown substances in them. Therefore being less likely to access synthetics.

prevent criminal activity relating to the illegal cannabis trade in Victoria; if this is legal less criminal action would occur.

**Do you have any additional comments or suggestions?:**

Cannabis can help with chronic illness, at the moment it is extremely difficult to be prescribed medical cannabis. It has shown great benefit when helping manage pain.
