(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service),Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.,There should be no restrictions.

YOUR SUBMISSION

Submission:

In my work as a drug and alcohol counsellor, I work with many people that directly benefit from the use of cannabis. At the same time they are threatened by growing, purchasing or consuming cannabis because of the laws that prohibit this plant from being accessed.

I recommend that cannabis should be legalised or decriminalised so that its medical, physical and spiritual benefits can be utilised by society.
