Are there any additional themes we should consider?

Cannabis is in by far the majority of cases the “entry drug” into further progression of drug use. This is a major issue. In itself the effect mitigates initiative and drive for achievement, makes users less active and “dopey”, so not reaching their potential. This has implications for job stability and financial matters, personal and Govt.

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Use of cannabis should remain legal for medical treatment only. ,Sale should remain illegal. ,Personal use of cannabis should remain illegal.
