### YOUR SUBMISSION

It will greatly benefit the economy after it has, and will continue to, plummet as a result of COVID-19. You can tax cannabis greatly and also control when/where its being grown to reduce the negative additives.

I have personally seen it work wonders with cancer patients in the past.

**Do you think there should there be restrictions on the use of cannabis? :**

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal. There should be no restrictions.
