### YOUR SUBMISSION

**Submission:**

**Do you have any additional comments or suggestions?:**

i dont feel i can properly explain why i think as i do, when others do it so much better, but because of cannabis being illegal many of my friends and myself have suffered criminal charges with all the negatives that those then cause on your life, simply because we wanted to sit at home and have a quiet smoke and not hurt people. it's gone on too long. time to fix things up.
