### YOUR SUBMISSION

**Submission:**

cannabis and cannabis products have been proven to help those suffering from mental health (e.g. depression, PTSD) and physical health issues (e.g. seizures, chronic pain, insomnia). cannabis flower and CBD oil have both benefitted myself and my partners mental health issues. i don't believe people should have their life ruined by having a criminal record consisting of petty cannabis "crimes". i don't believe it should be in the same schedule as meth and heroin.
