Are there any additional themes we should consider?

Please consider the penalties for driving with low levels of cannabinoids in the system from as long as a month ago with no driving impairment.

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service),Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

25 years old, committed relationship, young dependant, \$120,000+ gross income per annum, multiple University degrees. Part of what got me here was the medical affect from personal cannabis use. Personal use within moderation and never before 8pm, however, if I am ever pulled over and tested I will be given a record and offence. This is my greatest fear, I'm not a criminal and only wish the freedom of my concioisness.
