Individual

Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should remain illegal., Personal use of cannabis should be legal. , Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

Firstly it doesn't make sense that Alcohol and Cigarettes are legal yet Marijuana isn't. Alcohol has more danger than marijuana such as alcohol poisoning. Furthermore, decriminalisation of Cannabis would mean prisoners are freed and more space for the real criminals who are actual threats to society. Cannabis can bring a new stream of income for the government due to sales and tax while eradicating those expenses attached to putting individuals in prison due to cannabis crimes.
