YOUR SUBMISSION

Submission:

Cannabis was made illegal in Australia with no scientific evidence and was only made illegal due to the Fact, USA had made it illegal. The laws were based on racism and as such are wrong. This needs to be reversed. We can promote business activity, tax this plant and keep people out of prisons who actually are just gardeners not criminals. No one has ever died from cannabis. People should be able to grow their own medicine or purchase from a shop. Please stop this inhumane law. Make it Legal.

Do you have any additional comments or suggestions?:

I served 5 years in the Australian Army. I have a bachelor degree and about to finish my post-graduate degree. I have smoked Cannabis throughout my life. I have a medical condition and it helps me. I am a productive member of society. Why should I not choose what I want to do in my free time. Cannabis is illegal, a proven medicine which heals and honestly no much healthier for you than alcohol. Yet gambling and alcohol are promoted and advertised everywhere and they destroy families and do kill. This should not be so difficult. Make it legal.
