Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service),Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.,There should be no restrictions. ,Other – please explain.

These old farts running things with their outdated and manipulated results need to step aside. Cannabis is no danger to anyone or anything besides the fridge and the food that's in it

Do you have any additional comments or suggestions?:

Want to save time in court so we can get to the cases that need to be heard? Decriminalise cannabis and make it legal to cultivate for personal use and then bam, so much Time has been saved for judges to hear proper cases and not ones like mine where I got caught with 6grams of weed. Bloody waste of time it was
