Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service),Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

I suffer from severe anxiety and depression, being on cannabis is the only time I have felt joy and truly relaxed, it slows down my thoughts by at least 3 times and I only have one thought at a time instead of many going around in circles. It is currently too hard to access for the amazing therapeutic effects it has on the body, please make it easier to access.
