YOUR SUBMISSION

Submission:

I am concerned that the drug testing system is flawed that traces can be linked after 3 days use it creates no impairment after 24 hours maybe it was approved because there do not have a test that that falls within the range of 24 hours so charges can be laid after 5 days

Marijuana possession of a minimal amount and cultivation of one plant for personal use should be legalised as it is less potent than alcohol. I am a cancer patient and suffered bypass surgery . it relieves me of pain and I am able to get proper sleep and is less harmful than prescribed medication
