The regulation and education programs should build on the experience with regulation and education associated with alcohol and tobacco. Additionally, as cannabis is not as addictive or personally dangerous as either alcohol and tobacco, it would be reasonable to assume the regulation of cannabis was less restrictive, not more, than the other two.

D

Similarly, the prevention of criminal act associated with a legal, regulated product/industry is well know in the arenas of alcohol and tobacco, it would again be reasonable to apply similar measures for security and enforcement.

Do you have any additional comments or suggestions?:

Cannabis is safer both individually and societally than either tobacco or alcohol. The only reason it was declared illegal in the first place was due to, obviously misplaced, racism in the USA in the 1920s.

Regulate and tax the industry, and add millions, if not billions to Victoria's coffers.

Do you think there should there be restrictions on the use of cannabis? :

Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal. Other – please explain.
