### YOUR SUBMISSION

prevent criminal activity relating to the illegal cannabis trade in Victoria; The criminal trade exposes people to harsher drugs, also i encourages other side crimes as a result. Police force time is taken up in raiding small farms and backyards for 10 plants or so. Take away the criminal element and regulate. It didn't work for alcohol and its not working for cannabis so regulate it like alcohol. Get better testing. Learn from other countries where they have successfully legalise cannabis for personal and medicinal use and now they are taking advantage of additional revenue from tax and employment. Cannabis has multiple uses, the country that embraces it and creates technology around it will prosper faster.
