What best describes your interest in our Inquiry? (select all that apply) :

Individual

Are there any additional themes we should consider?

I think cannabis oil should be more accessible for medical reason and cancer patients. This way people can do it legal and choose what health aspect they want. Its our bodies and our choices.

YOUR SUBMISSION

Do you have any additional comments or suggestions?:

Select all that apply.

Do you think there should there be restrictions on the use of cannabis? :

Use of cannabis should remain legal for medical treatment only. Personal use of cannabis should be decrim-inalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Cultivation of cannabis for personal use should be legal. There should be no restrictions.
