### YOUR SUBMISSION

I believe that cannabis has a place in our society, as a health treatment and for general use. And the amount of legitimate jobs the industry creates and the amount of money should be enough to consider cannabis is what our economy needs. Cannabis can save lives and our country.

**Do you think there should there be restrictions on the use of cannabis? :**

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal.
