**What if I told you
cannabis IS NOT illegal
because it's dangerous.**

That has been
SCIENTIFICALLY
disproven.

**It's illegal because
cannabis WILL DO TO alcohol
& tobacco companies, big
pharma, and big oil what
facebook did to Myspace.**

**If you believe that Tylenol
is medicine and marijuana isn't,
you might not know that
one hundred people will die
this year from using Tylenol,
whereas no one has ever
died from cannabis.**

End prohibition and save lives.
