YOUR SUBMISSION

Education including the history including how it took over from alcohol prohibition. Education to bring other drugs and alcohol into line with cannabis as it is only cannabis that appears to be targeted. Education re harm minimisation needs to be at the forefront.

Assessing the usage of cannabis did not happen when Victoria allowed Canvalate to operate and finally Canvalate may be doing this-maybe.

Do you think there should there be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. Cultivation of cannabis for personal use should be legal.
