YOUR SUBMISSION

Legalize cannabis in Victoria like other countries are doing around the world. My father died of alcoholism, I wish he's had access to cannabis, he would have lived a longer and happier life.

Do you have any additional comments or suggestions?:

It's a plant that's easy to grow and there is no way to control it's use anyway so why not legalize.

Select all that apply.

Do you think there should there be restrictions on the use of cannabis? :

There should be no restrictions.
