**What best describes your interest in our Inquiry? (select all that apply) :**

Individual, Working in the health sector

**Are there any additional themes we should consider?**

### YOUR SUBMISSION

Prevent young people and children from accessing and using cannabis in Victoria;

Persons under the age of 21 years of age should not access or use Cannabis.-RGE

**Do you have any additional comments or suggestions?:**

Cannabis should be legal for recreational use only for people 21 and over. A road side test should be developed like the 5.0 alcohol limit test. The Government should regulate and tax Cannabis and use the revenue for public good. Legalizing Cannabis will mostly eliminate the black market, free up police to go after more serious crimes similar to the USA and Canada. And continue to explore the Medicinal side of Cannabis as well. Allow only 2 or 3 plants to be grown by individuals and no more.

**Select all that apply.**

**Do you think there should there be restrictions on the use of cannabis? :**

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal.
