Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. , Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

Term of reference part D. Prevent criminal activity relating to the illegal cannabis trade in Victoria; I like the argument I've seen in the media, where Cannabis is treated as a health issue rather than a criminal one. I really don't think we should be putting people into the prison system for personal use and turning possibly half of them into criminals.
