Are there any additional themes we should consider?

The Industrial benefits of legalised cannibas, that allows for a more thorough use of Hemp as a dynamic material in many industriez.

Also, the incredible Tax benefit to NSW of legalised and regulated cannabis far outweighs its costs. Instead of jailing people for sharing a plant that grows in the wild, allow it to be sold, and for that money to go back into education, roads, health and other arenas that need it.

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service),Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.,There should be no restrictions.

Do you have any additional comments or suggestions?:

Cannabis has been proven many times over to be minimally harmful, is far less toxic to our body than alcohol and tobacco which remain legal, it benefits victims of several diseases like arthritis, cancer, skitzophrenia, epilepsy, ptsd, and much more.

It was made illegal to prevent its use in Hemp, which can replace plastics, petrols, concrete, fabrics and many other materials.
