YOUR SUBMISSION

Submission:

a. prevent young people and children from accessing and using cannabis in Victoria;

As it is now kids can go and get weed easily with no problems. If they had to go to a store that identified age and asked for ID. Underage consumption would drop.

d. prevent criminal activity relating to the illegal cannabis trade in Victoria;

If marijuana becomes more widely available and accepted illegal selling would drop in profit and demand.

Growers could also be offered actual regulated growing jobs.
