Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Sale of cannabis should be legal and regulated.

YOUR SUBMISSION

Submission:

It would be best to legalize and regulate cannabis in the same way as alcohol. I personally consume neither however I can understand the social upsides to using these substances from people who use them responsibly and are neurologically compatible with their effects. The matter of medical benefits is already well established and agreed upon in wider society.

Do you have any additional comments or suggestions?:
