In order to avoid, cannabis and other illegal drugs falling into the hands of minors, it should only be sold to those with ID, with a similar policy to the practice of giving it to minors, holding a fine/sentence  
Cannabis, has less of a social impact than alcohol, and if regulated correctly with promote jobs and industry

**Do you have any additional comments or suggestions?:**

Legalise it, with a reasonable tax rate, so local home businesses can start to grow.

Have a basic, chemical screening process , that needs to be followed, and can be performed independently from government bodies, so produce can go into markets safely.

By doing this, you remove the black market aspect, and make it a topic people are more willing to talk about.

Also it will support the state budget
