Cannabis legalization dates back to extremely racist prohibition era thinking and the long reaching negative impacts at this point are prevalent in absolutely every single fabric in the thread of our society. The sooner it is ended the better and it will vastly improve not just every single sector in our country; but more importantly, the lives and livelihood of all the Australians that call this good Nation home.

Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. , Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal.
