YOUR SUBMISSION

Submission:

Do you have any additional comments or suggestions?:

Follow America's laws on it. Not only is it benefiting the people no deaths or harm from the marijuana itself and loads of money for the government. It enriches people's lives that otherwise mental illness or other would destroy without weed to help and recreational is good to as it has many health benefits if you researched properly. Everyone wins if you follow suit like the American laws on it but that's just my thoughts
