### YOUR SUBMISSION

**Submission:**

I submit that as an upstanding member of the community, holding a leadership role in a large corporation and as a father of 2 children, that legalisation should be accepted as the only sound position for our state. I am not currently a consumer of cannabis, however I have been in the past and will be again in the future. It is unconscionable that the law will brand me a criminal for my choice of consuming a herb. It is time for the law to grow up.

**Do you have any additional comments or suggestions?:**

Please stop punishing people for making a choice that is theirs to make
