YOUR SUBMISSION

Submission:

I have worked as a social worker for over 10 years.

The worst harm I have observed from cannabis is from young people being dragged into and threw the criminal justice system.

I look overseas to parts of Europe and America and hope that one day adults will be able to use cannabis without fear of prosecution.

I note the increase revenues that Governments have from taxing and regulating cannabis and the good that come from putting that money into the health and education sectors.

I recommend that cannabis is legalised in Victoria.

Its time.
