**Are there any additional themes we should consider?**

**Select all that apply. Do you think there should be restrictions on the use of cannabis? :**

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal.

### **YOUR SUBMISSION**

**Submission:**

There are many countries around the world who have adopted different ways of tackling the drug use issue e.g Canada, the Netherlands, some US states. A regulated market reduces the cashflow to the black market, hence reducing criminal activity. The health benefits on cannabis have also been demonstrated in many studies
