Individual

Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

Similarly to alcohol and tobacco, restriction the sale of legal cannabis would lead to reduction in illegal non-retail sales, which would reduce the likelihood of children acquiring the drug. Tax revenue generated could help bolster our economy post-COVID (both from local residents and inbound tourism), as well as lead to a lower rate of incarceration due to fewer illicit drug convictions.
