YOUR SUBMISSION

Submission:

Decriminalisation, regulation, and public purchase has worked wonders overseas. We know this. So many people I know use it over other more dangerous substances like alcohol or tobacco and prefer it. Even more people I know use it to help with anxiety and depression, and it's changed their lives for the better. Do the right thing, follow the route of real progress, stop putting people in jail for this, and let the people smoke some cannabis inside the law.
