**Select all that apply. Do you think there should be restrictions on the use of cannabis? :**

Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.

### YOUR SUBMISSION

**Submission:**

I personally believe that cannabis should be a legal drug to use in the state of Victoria. It can be a great stress reliever, and considering the other noted stress reliever (alcohol) is responsible for thousands of deaths a year, this is a much safer option.

In addition, it should be regulated the same way as alcohol, 18+, caught driving with it and you get booked, all that stuff.

**Do you have any additional comments or suggestions?:**
