**Are there any additional themes we should consider?**

How resources saved by decriminalising/legalising cannabis and used more effectively for education and rehabilitation

### YOUR SUBMISSION

Speaking as an individual, cannabis sale and use between consenting adults should be legal. If cannabis were to be treated as alcohol is by the government, the state would benefit as would the people. More tax dollars for the state, more individual freedoms and overall the black market dealers would have no more outlet.
