YOUR SUBMISSION

Submission:

Cannabis use by informed consenting adults should be legal and easy to access. Prices should be fair and reasonable.

Nobody wants children smoking weed, just like nobody wants them drinking alcohol and smoking tobacco. Prohibition doesn't work, criminalising drugs doesn't work. Evidence shows this. Children will access drugs and alcohol anyway.

Our responsibility to children lies in education, support programs, and ensuring responsible sale and consumption of cannabis to minimise exposure to children.

I think there should be more effort spent to associate driving while under the influence of cannabis with driving while under the influence of alcohol.

Do you have any additional comments or suggestions?:

Please make recreational cannabis legal to access and at reasonable prices.
