YOUR SUBMISSION

People should not be criminally convicted for being in possession of a plant that occurs naturally. It should be freely available to purchase. Making a substance illegal does not stop people consuming it, people will find it either way but the money should go to the government, not criminals. There are problems and negative side effects that need to be explored but it is a relatively harmless product.

Do you think there should be restrictions on the use of cannabis? :

Sale should remain illegal. Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. Sale of cannabis should be legal and regulated. Cultivation of cannabis for personal use should be legal.
