What best describes your interest in our Inquiry? (select all that apply) :

Individual

Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service),Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

Marijuana should be legal in the same way it has been legalized in the ACT and some American states.

Get some bonus tax dollars.

People will do drugs regardless, this way they can get it from a safe source, and the govt can get \$\$\$ rather than criminals.

Ive also never seen someone get stoned and start a fight, happens on alcohol all the time.

Do you have any additional comments or suggestions?:
