Are there any additional themes we should consider?

How fun it is.

Seriously. Why can't we enjoy something that's safe, fun and pleasurable?

Way safer, more fun and pleasurable than alcohol or gambling and everybody in this country seem to think they're the greatest things on the planet.

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.,Other – please explain.

I would tick "There should be no restrictions," but there should be. It has been shown that marijuana use on developing minds tends towards the negative, so I think it should be age controlled. 18+, same as alcohol and gambling.
