Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. , Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

Obviously everything that can be done to ban and discourage recreational use of cannabis for underage people should be done and I have faith that it will be done. It's a non-issue here.

I strongly believe in decriminalising the use of cannabis in an effort to reduce the racially motivated predatory policing we currently see.

Possessing and using marijuana for recreation or medical reasons shouldn't be something that affects you for the rest of your life,
