Use of cannabis should remain legal for medical treatment only. , Personal use of cannabis should be legal.

### YOUR SUBMISSION

**Submission:**

Cannabis can be used without harm in a similar way to alcohol, so why should it be treated differently?

People should be free to do whatever they like in their own homes, provided it doesn't impact anyone else.

Legalising sale would close down a revenue source for organised crime and if extended to other narcotics in due course stifle their funding and so reduce their violent activities.
