Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be decriminalised.

(Decriminalised: there are no criminal or civil penalties instead a person is referred to a drug diversion program or other health/ treatment service), Personal use of cannabis should be legal. , Sale of cannabis should be legal and regulated. , Cultivation of cannabis for personal use should be legal. , There should be no restrictions.

YOUR SUBMISSION

Submission:

Please just legalise. It'd be good if Australia could not be backwards on something for once. Drugs should be a health issue, not a criminal issue. Legalising drugs works, as seen by countries such as Portugal, which saw a drastic decrease in crime rates after legalisation. Not to mention the potential revenue the government is currently giving to criminals by not taxing the sale of cannabis and other substances.

Do you have any additional comments or suggestions?:

Legalise.
