Individual

Are there any additional themes we should consider?

Select all that apply. Do you think there should be restrictions on the use of cannabis? :

Personal use of cannabis should be legal. ,Sale of cannabis should be legal and regulated. ,Cultivation of cannabis for personal use should be legal.

YOUR SUBMISSION

Submission:

Cannabis has proven qualities as medicine. It would reduce the chances of getting cancer, getting addicted to painkillers etc.

If it's available legally, there is less chance that the user gets introduced to hard substances. Violence would also be less then in case of alcohol consumption.

Do you have any additional comments or suggestions?:
