To whom it may concern,

My name is Abi, and I am writing to express my concern for the proposed Public Housing Renewal Program.

Although it claims that it will be creating more public housing, it will in fact be leaving many people (including families) without a home, and prioritises privatisation over the needs of the 35 000 people on public housing waiting lists.

I ask that:

- There be no selling of public housing land
- Developers not be allowed to destroy existing communities
- More public housing be built
- The privatisation of public housing be stopped
- Existing and potential tenants and their voices be the main priority in any project

Yours sincerely,
Abigail Benham-Bannon
