we live on the no one street estate in Clifton Hill which was upgraded and fully renovated a few years ago there is nothing wrong with these town houses and we think it is just a big waste of taxpayers money .my wife and I have voted for the labor party all our lives and we think it is a disgrace that they are selling off all the housing commission land to private possibly overseas developers what will be next all our parks and beaches ?.the units they are going to build are only 1 and 2 bedroom the playground and basketball court will be gone what about the kids ? why not knock down a few Toorak mansions ? .you'll get plenty of units on that land (cheers)
