The Secretary,
Hi, I am living on the Noone Street Clifton Hill Estate that is being targeted for renewal. I would like to say i am appalled by the decisions that are going forth. I speak for me and my mother who have been living on the estate for over ten years and was present for the last renovations of the estate. Moving and being relocated in a new environment was a stressful process and impacted negatively on my studies at school, this may also apply to other children who live on the estate at the moment if we are subjected to move. Secondly we do not want housing on the estate to be privatized and should be kept as public housing. I believe funds should not be used on renovating the Noone Street Clifton Hill Estate and can be better utilized elsewhere to improve the community.
