The government has told us that there will be no more meetings. They have finished everything now and are ready for us to move out. I really must come back here because my children go to school here. If I can't come back to this area I don't want to move. I'm happy here. I've lived here almost 11 years. I need a 4 bedroom place. If they can't guarantee that then I'm not going to move. No one can force me. Government is like a snake. I think when the place is rebuilt, other people will be coming back to live here, not us. I love living here. It's very quiet and nice area. Everybody knows each other. If I don't get a guarantee I don't want to move.
