

To The Secretary of Legal and Social Issues Committee.

My name is Carol Spark i reside at [REDACTED] Recently the Government has proposed a demolition and relocation of tenents of some Goverment housing Noon st, Alexander st, and Alexandra pde on the list for closure. My family and i have resided at this address for thirty three years my son is unemployed and has difficulty in finding employment the area we live in is sutable for finding employment fr him. i have man health issues and attend St Vncent hospital for classes twice weekly and see three specalists on four monthly bassis. I have three lots of Arthritist , Asthma blood presure and Anxiety. I do not welcome change nder any circumstances recently we found the the waitung list is 35 thousand long many are told the waiting period is 15 years befor a home is available. For Government Hosing we feel theat public housing should be extended not demolishedwe strongly advise you keep public housing with a veiw to extend i the future not privatise and commintize i this area.

Regards Carol Spark
